

The background of the slide is a photograph of an office interior, featuring several cubicles with yellow partitions. A string of yellow and orange marigold garlands is draped across the cubicles. The image is dimmed to allow the white text to stand out.

The
KNOT COMPANY

The Knot Company

Your trusted buying house and sourcing partner in the Indian subcontinent. We serve as the Eyes and Ears for global buyers, connecting international brands with the right factories through our extensive network of audited and compliant vendor partners

Vision & Identity: The Buying Agency Mode

Full-Service Sourcing Partner

The Knot Company positions itself not as a manufacturer, but as a full-service sourcing partner that connects global brands with the right factories. We bridge the gap between international buyers and the vast manufacturing capabilities of the Indian subcontinent.

The 3 R's

Delivering the Right Product, at the Right Time, and at the Right Price

Vendor Management & Factory Sourcing

Our expertise lies in our extensive network of audited and compliant vendor partners across the Indian subcontinent. We don't just connect you with factories—we match your specific technical requirements with the ideal factory capability

Apparel Manufacturing

Connecting buyers with specialized garment factories that meet international quality standards and production capacity requirements

Manufacturing Excellence

Matching technical specifications with factories equipped with the right machinery, certifications, and expertise for your product line.

Lifestyle Products

Sourcing from premium lifestyle and gifting product manufacturers who understand global market trends and quality expectations

Design Services

The Knot Company has restructured its sample division into a design & development unit. This is headed by experts, who prepare latest trends as per the market requirement based on seasons.

The Knot Company insightful R&D team is always on the lookout for new types of fabrics and Products. This help The Knot Company to stay one step ahead of textile manufacturers in the fast – changing fashion trends & market

The Knot Company Innovations ensures no room for error and ensures excellent product quality to its clients. Operating for more than two decades, The Knot Company has perfected its Quality Management System (QMS). Which includes scrupulous checks to ensure flawless Production. Our experienced Quality Department extends its operation even into the procurement of raw – materials and machinery.

Fabric Research & Development

The Knot Company has crossed the border of using all yarns, such as : Cotton, Polyester, CVC, PC etc., It can now make use of Organic, Rayon, Modal & pima, bamboo yarns etc.,

Knits manufactures technical fabric such as : Viscose & Cool max using Cutting – edge technology, jersey, Rib, fleece, waffle, pique, Jaguard, Spandex, Interlock, Vellore, Honey comb, Druby, etc.,

Cotton yarn dyed woven, viscose yarn dyed woven, cotton all over prints, Viscose all over prints, cotton slub yarn dyed, cotton viscose blends, textured Weave fabrics, swiss dot fabric, mesh fabric, all over embroidery fabric, and Denims

Technical Services

We have Highly evolved understanding of multiple products and multiple brands We have highly qualified team which they have worked with who have worked with multiple buyers across Europe and USA Advanced pattern making skills and computerized pattern making Ability to create refined women's wear Internationally experienced technicians that continually monitor fits

Core Services: End-to-End Solutions

Sourcing & Negotiation

Locating top-tier exporters and negotiating competitive pricing to ensure buyer profitability. Our years of industry experience and deep market knowledge enable us to secure the best terms for our clients while maintaining quality standards.

Merchandising & Liaison

Acting as a complete liaison solution, providing weekly production updates and managing the communication bridge between buyer and factory. We ensure seamless coordination throughout the entire production cycle, eliminating language barriers and time zone challenges.

Product Development

Helping buyers turn creative inputs into reality through a vast supplier network and trend-forward insights. Our team works closely with factories to develop prototypes, refine designs, and bring innovative products to market efficiently.

Rigorous Quality Assurance: The "TKC" Advantage

Our scrupulous Quality Management System (QMS) monitors every process from prototyping to final packing. We don't leave quality to chance—we build it into every stage of production.

Prototyping Inspection

Initial sample review and approval process to ensure design specifications are met before bulk production begin

In-Line Quality Checks

On-floor inspection services during production to identify and correct issues in real-time, eliminating costly surprises

Pre-Shipment Verification

Comprehensive final inspection to ensure products meet international legal, social, and environmental standards before dispatch.

Logistics & Value-Added Services

End-to-End Logistics Coordination

Our comprehensive logistics services include freight forwarding, cargo movement, and expertise in DDP (Delivered Duty Paid) shipments. We manage the entire supply chain from factory floor to your warehouse, ensuring timely delivery and complete transparency throughout the shipping process

Value Added Services

Travel Assistance

Professional support for visiting clients, including factory visit coordination, accommodation arrangements, and local transportation

Product Photography

High-quality professional photography services for product catalogs, ecommerce platforms, and marketing materials

Compliance & Global Standards

At Knotwise Gifting Private Limited, we showcase our commitment to working only with factories that adhere to international certifications and compliance standards. Our vendor network is carefully vetted to ensure they meet the highest global benchmarks

WRAP Certification

Worldwide Responsible Accredited Production certification guaranteeing ethical manufacturing practices and worker welfare.

SEDEX Compliance

Supplier Ethical Data Exchange membership demonstrating commitment to responsible and ethical business practices

BSCI Standards

Business Social Compliance Initiative adherence ensuring social compliance and sustainable supply chain management

Why Choose Knotwise as Your Buying House?

Extensive Vendor Network

Access to a carefully curated network of audited and compliant factories across multiple product categories, giving you unparalleled sourcing flexibility

Time Zone Advantage

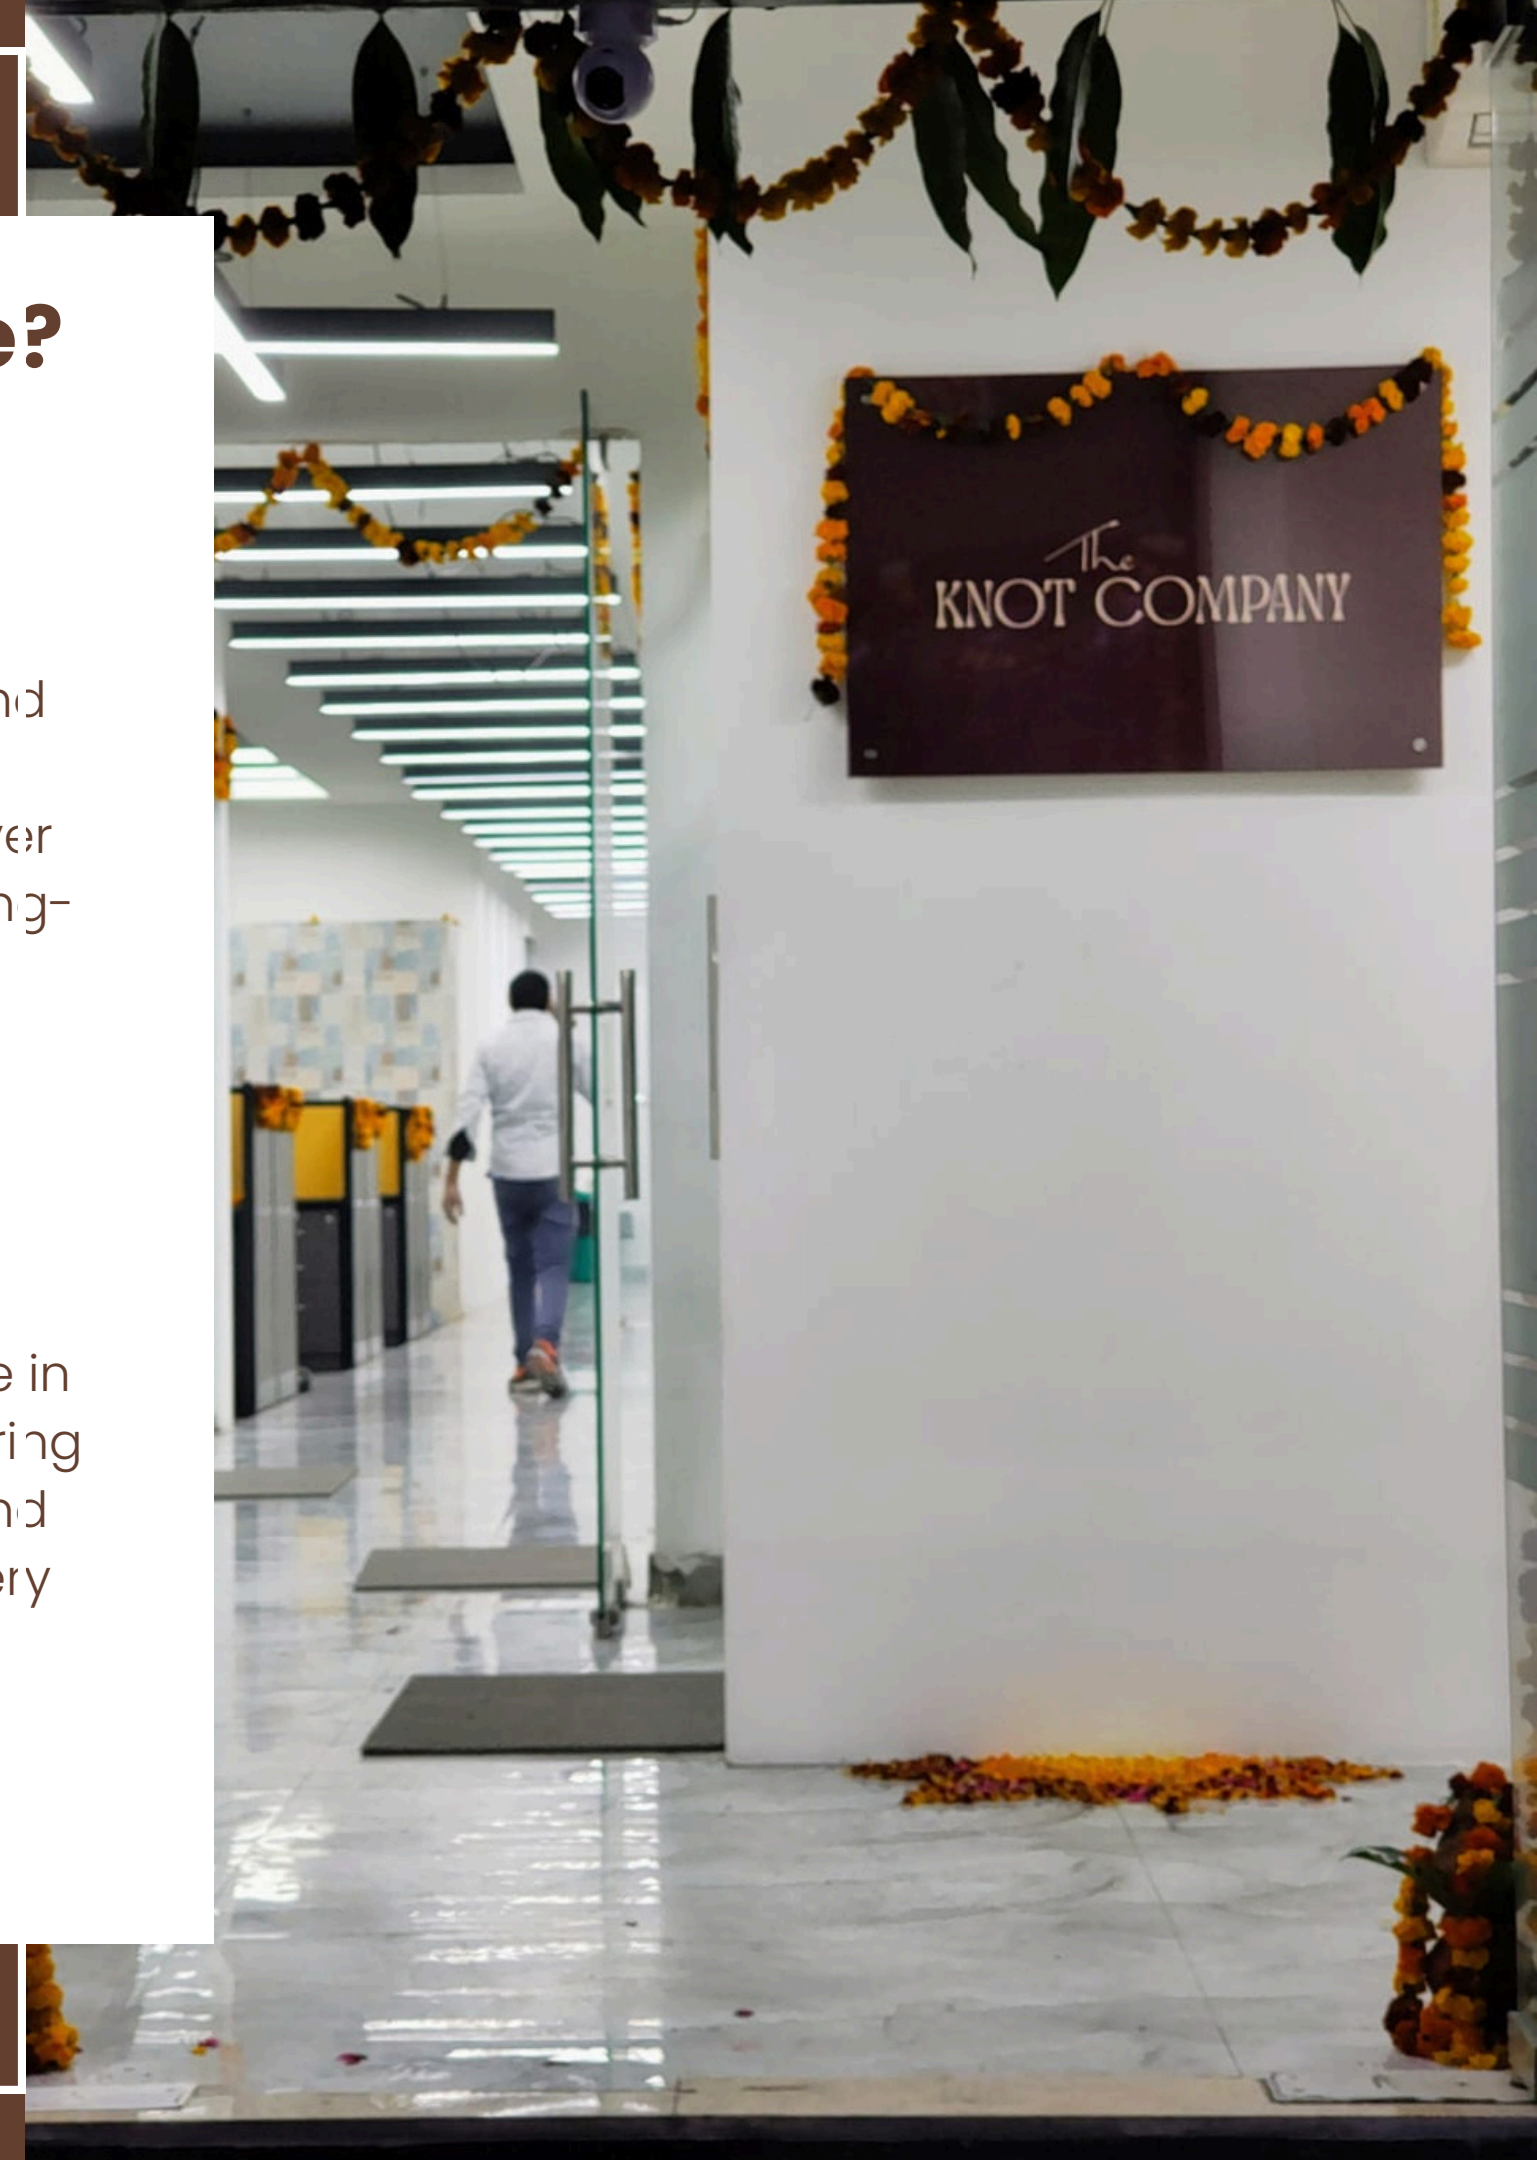

Strategic location and 24/7 communication capabilities ensure your production never sleeps and issues are resolved in real-time.

Proven Track Record

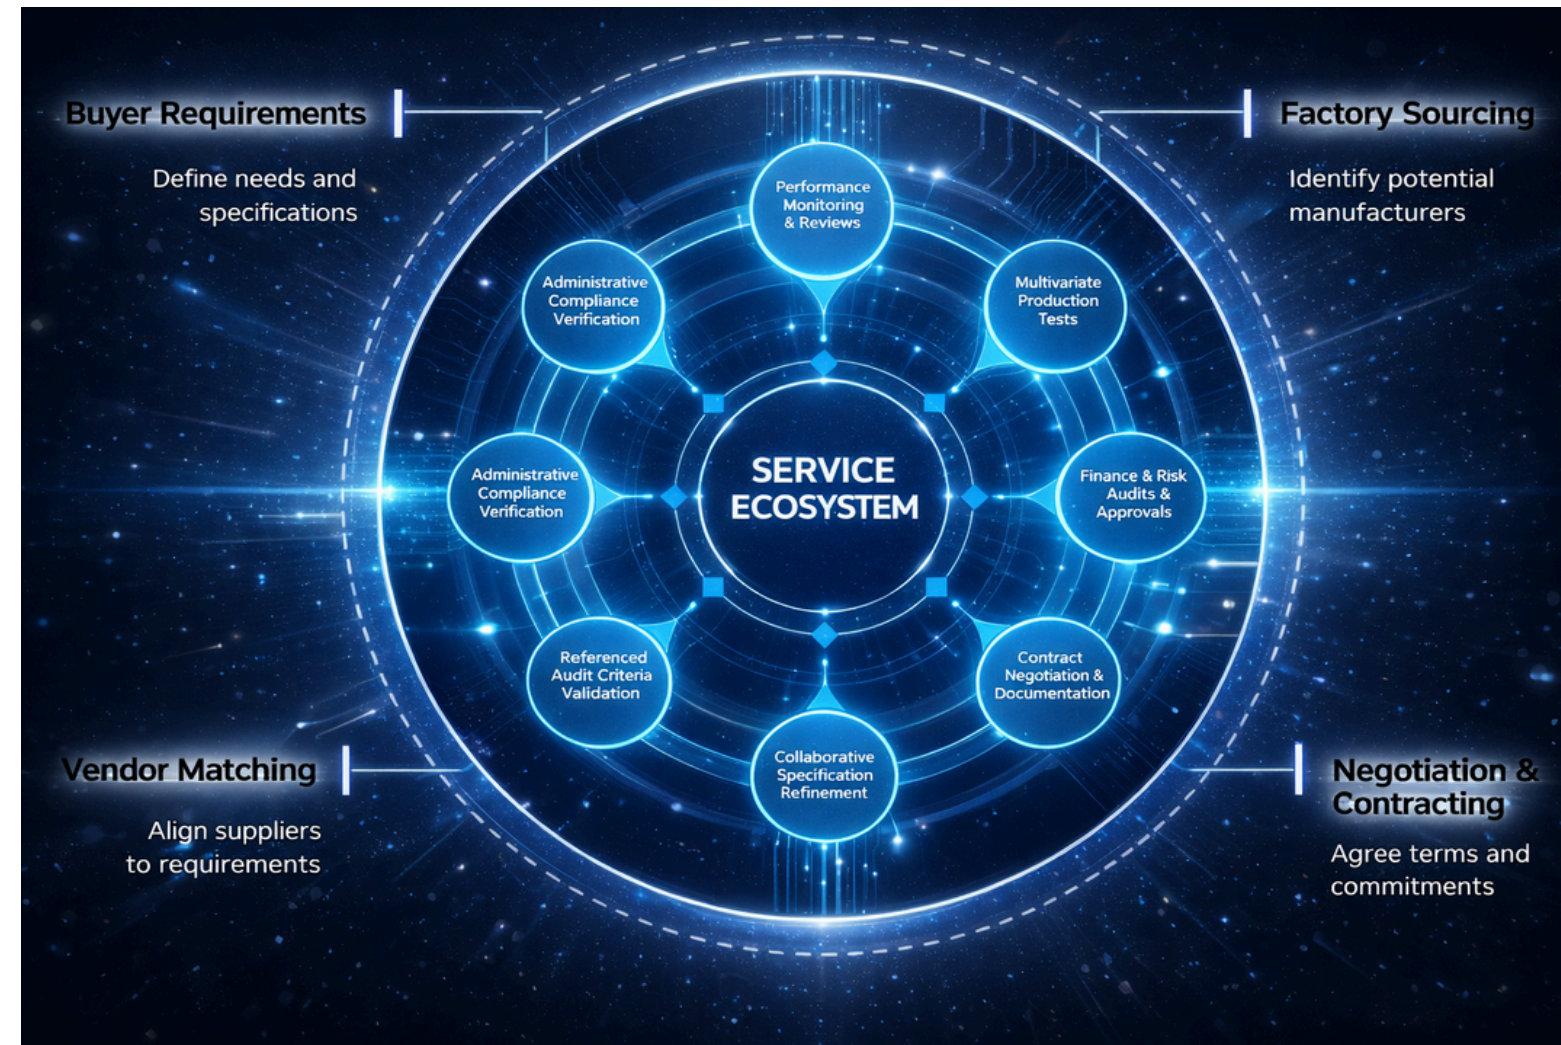

Years of industry experience and global buyer success stories demonstrate our ability to deliver results consistently and build long-term partnerships.

Your Eyes and Ears

We serve as your local presence in the Indian subcontinent, monitoring production, ensuring quality, and protecting your interests at every stage of the manufacturing process.

Our Complete Service Ecosystem

Our integrated approach ensures seamless coordination across all stages of the sourcing and manufacturing process. From initial concept to final delivery, The Knot Company manages every detail, allowing you to focus on your core business while we handle the complexities of international sourcing.
